What is a Multiplus inverter?

The MultiPlus, as the name suggests, is a combined inverter and charger in one elegant package. Its many features include a true sine wave inverter, adaptive charging, hybrid PowerAssist technology, plus multiple system integration features. The MultiPlus will prevent overload of a limited AC source, such as a generator or shore power connection.

What is a 12/2000/80-32 Multiplus?

The 12/2000/80-32 MultiPlus intelligently combines the functions of a powerful 2000VA 12V pure sine wave inverter, a sophisticated 80A battery charger which features adaptive charge technology, and a high-speed 32A AC transfer switch in one single unit.

What is a 2000 volt sine wave inverter?

(1) 2000VA 12V pure sine wave inverter: converts DC current into 230VAC mains electricity, to run various household appliances such as a TV, laptop, lighting, fans etc. Able to generate up to 1600W of continuous power with a strong peak power handling capability of 3500W (to start appliances with electric motors).

About this item VICTRON ENERGY PURE SINE WAVE INVERTER: The Victron Energy Multiplus inverter charger is a compact powerful true sine wave inverter and a sophisticated battery ...

The MultiPlus 12/2000/80-32 is a multifunctional inverter/charger from Victron Energy. It combines a powerful true sine wave inverter, an adaptive battery charger, and a high-speed AC transfer switch in ...

The MultiPlus Compact 12/2000/80-50 is a UL-Certified 12-Volt 2000-Watt pure sine wave inverter with an adaptive 80A battery charger and a high-speed 50A transfer switch. The inverter's output is 120V ...

Its many features include a true sine wave inverter, adaptive charging, hybrid PowerAssist technology, plus multiple system integration features. The MultiPlus will prevent overload of a limited AC source, ...

The MultiPlus Compact 12/2000/80-50 is a UL-Certified 12-Volt ...

The MultiPlus, as the name suggests, is a combined inverter and charger in one elegant package. Its many

12v 80amp generator plus inverter

features include a true sine wave inverter, adaptive charging, hybrid PowerAssist ...

MultiPlus Inverter/Charger 12 VDC - 2000VA - 80AMP Battery Charger - 50AMP Transfer SwitchFeatures:
Multifunctional -The MultiPlus, as the name suggests, is a combined inverter and ...

The MultiPlus, as the name suggests, is a combined inverter and charger in one elegant package. Its many features include a true sine wave inverter, adaptive charging, hybrid PowerAssist technology, ...

The Victron MultiPlus 48V 2kVA Inverter - Empower your energy system with adaptive tech, remote monitoring, and seamless backup power solutions.

The 12/2000/80 MultiPlus from Victron Energy is a powerful true sine wave inverter, a sophisticated battery charger that features adaptive charge technology and a high-speed AC transfer switch in a ...

The inverter is short circuit proof and from overheating (whether from overload or due to the ambient temperature caused) are protected. Power Assist performance of generators and country connection ...

The 12/2000/80-32 MultiPlus intelligently combines the functions of a powerful 2000VA 12V pure sine wave inverter, a sophisticated 80A battery charger with adaptive charge technology & a high-speed ...
