Will the C300 portable power station and 60W solar panel be shipped separately?

The C300 Portable Power Station and 60W Solar Panel will be shipped separately. If you receive one item before the others, please scan the QR code on the package to check the delivery status of the remaining items. This product has fewer returns than average compared to similar products.

Can I use a 60W solar power station with a PS30?

Solar-Powered Escapes: When your journey needs endless charging, do so seamlessly and sustainably with a 60W solar panel. This power station is not compatible with Anker SOLIX PS30 (or other 5V~3A USB-C panels), PS200, PS400.

Does the C300 & ps60 solar panel bundle include a car charging cable?

The C300 and PS60 solar panel bundle does not include a car charging cable. The car charging cable can be purchased separately. For more information or to purchase the cable, please contact the Anker support team. Brief content visible, double tap to read full content.
