Leading provider of large-scale photovoltaic power plants, custom folding solar containers, and complete energy storage systems across Southern Africa and international markets.

The HJ Mobile Solar Container comprises a wide range of portable containerized solar power systems with highly efficient folding solar modules, advanced lithium battery storage, and ...

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency rescue and commercial ...

LZY Mobile Solar Container System - The rapid-deployment solar solution with 20-200kWp foldable PV panels and 100-500kWh battery storage. Set up in under 3 hours for off-grid areas, construction sites & emergency ...

This compact 8ft foldable PV container combines 18kW solar generation and 20kWh storage, offering a versatile and transportable solar energy solution. It's ideal for rapid deployment in ...

Intech Energy Container The Intech Energy Container is a fully autonomous power system developed by Intech to provide electricity in off-grid locations. Each container is equipped with a photovoltaic array, a battery ...

Looking for a dependable Emergency Power Container? HighJoule delivers clean, scalable, and solar-integrated backup energy when it matters most--ideal for disaster relief, off-grid sites, and telecom ...

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency rescue and commercial ...

Ideal for temporary power, remote locations, or emergency backup, these all-in-one solutions combine

200kW Folding Container for Emergency Rescue

high-efficiency solar generation with integrated storage for rapid deployment in construction, events, disaster ...

HighJoule's 200KW Solarfold unit is built for fast deployment in emergencies, large-scale outdoor events, pop-up hospitals, or military forward operating bases. Its foldable design and high power density allow it to deliver ...
