720W Dc-Dc 48V 15A Power Converter 12V/24V to 48V Step-Up Transformer Shockproof and Dustproof/Providing Screwdriver,Used for Solar, Electric Vehicle Chargers (Overload Protection)

Rugged IP68 waterproof DC-DC step-up converter boosts 12V (11-16V) to a stable 48V/3A (144W). Includes 2m cable & built-in protections. Ideal for RV, marine, solar & off-grid power. Optimized for ...

These robust DC converters have a wide operating temperature range, and use a DIN terminal block for input and output connections. They are designed to allow the use of 48 volt ...

Whether you're camping, boating, or working off the grid, this inverter seamlessly converts your 12V DC battery power into a robust 48V DC output, providing you with a reliable and efficient source of ...

DC-DC boost converter series for sales, selectable output current from 1 amp to 20 amps, 10-25V wide input voltage range. This DC-DC power module is designed to step up 12V DC to 48V DC, high ...

These 12-, 24-, 36- and 48-volt DC inverters are made by AIMS Power, manufacturer of industrial-grade inverters that can power many kinds of equipment, machinery, appliances and electronic devices. ...

MZHOU 240W DC-DC Boost Converter, 12V/24V to 48V 5A Boost Transformer - Waterproof IP67,Suitable for Golf Carts, Solar Panels, Electric Scooters, Overload/Short Circuit Protection

Buy 12V to 48V DC-DC voltage step up converter online with different output currents from 1A to 20A. The DC-DC boost converter is lightweight, compact, has a wide input voltage range of 10V-20V, and ...

The high-efficiency 12V/24V/48V pure sine wave power inverter converts the DC power stored in the battery to a standard household AC power source, providing you with quiet AC power anytime, ...

Designed for professional DC power systems, it features full galvanic isolation, screw terminal connections,

DC 12V to 48V inverter

and remote on/off control for safe and reliable energy conversion. Reliable Step-Up ...

These robust DC converters have a wide operating temperature ...
