What is Stadium containers?

Stadium Containers specialises in innovative, modular stadium seating solutions built from high-quality shipping containers. We combine smart design with durable construction to create comfortable, stylish, and weather-protected seating for sports venues, schools, and event spaces.

Why did you choose 3 40ft shipping containers?

We opted for 3 40ft containers to increase seating capacity and have now been able to earn more from ticket sales. Great service and quality. Fast delivery with an easy ordering process, highly recommend. Stadium seating solutions built from high-quality shipping containers for sports venues, schools, and event spaces.

Can I customise the colour of my Stadium containers?

With our stadium containers you get the option to fully customise the colour to better suit your club's branding. Along with the customisation of the size and colours, we also include a club crest printing on the side of each container. As seen at Qatar World Cup 2022 and more...

Are football stands weather resistant?

Yes, our stands are built to endure various weather conditions. With weather-resistant materials and a roof for added protection, they keep spectators safe and comfortable--ideal for football games and other outdoor events.

Can the stands be stacked for larger setups?
