What is a solarcontainer?

The Solarcontainer is a photovoltaic power plant that was specially developed as a mobile power generator with collapsible PV modules as a mobile solar system, a grid-independent solution represents. Solar panels lay flat on the ground. This position ensures maximum energy harvest. Panels lay flat on the ground.

How many households can a solar Container Supply?

Based on an average power consumption of a 4-person household of 4000 kWh per year and a location in Southern Germany, the solar container can supply approx. 32 households with climate-friendly electricity. At a location in Southern Europe it can even be up to 50 households due to the high solar radiation.

What makes Hilber Solar GmbH Special?

With Hilber Solar GmbH, the cross-generational and outstanding know-how flows into SolarCont GmbH as a guarantee for a perfectly coordinated and highly efficient photovoltaic system.

Who is solarcont GmbH?

SolarCont GmbH was created through a cooperation between the two successful companies Hilber Solar GmbH from beautiful Tyrol and the company Gföllner Fahrzeugbau und Containertechnik GmbH, which is deeply rooted in Upper Austria. This cooperation makes it possible to develop a completely new type of mobile solar system.

This system is realized through the unique combination of innovative and advanced container technology. Our pioneering and environmentally friendly solar systems: Folded solar ...

Waterproof, Solar Powered, Lightweight, Durable, Safe, Eco Friendly, Anti-Corrosion, Fire Resistant, Easy Operation, Easy Installation Use Hotel Warranty 2 Years After-sale Service Free Spare Parts ...

The container is equipped with foldable high-efficiency solar panels, holding 168-336 panels that deliver 50-168 kWp of power. It is the perfect alternative to unstable grid power and ...

Storage Prefabricated Portable Hotel Container House for Winter with Solar Roof, Find Details and Price about Prefabricated Container House Prefab House from Storage Prefabricated ...

Hotel Solar-Powered Wind-Resistant Container Sales

Create modern, eco-friendly spaces with Corner Cast's shipping container solutions. Our bespoke designs offer innovative, affordable, and sustainable wind and solar energy spaces tailored to your ...

Container hotels - sustainable, budget-friendly stays. Modular designs for cities & scenic spots. Quick setup & unique experiences.

Discover how prefab container houses with solar electricity offer eco-friendly, cost-effective living. Perfect for remote homes or offices. Click to explore energy-efficient designs and ...
