This recommended seating capacities by table size reference guide will surely help keep your guests comfortable and hopefully help turn them into loyal, return customers.

Find the perfect round dining table size with our Round Dining Table Size Calculator. Get accurate dimensions based on room space and seating requirements!

If you want a 54-60" round: you'll typically need at least 54-60" of clear width after clearance. For example, a 12" x 11" room (144" x ...

Use our Table Seating Space Calculator to find out how many people can comfortably sit around your dining table. Supports round, rectangular, and square tables.

Take the circumference of the table and divide it by either 24" (casual) or 30" (formal) to get how many chairs will fit! As I mentioned, the number of chairs or seats you can fit around a round ...

If you want a 54-60" round: you'll typically need at least 54-60" of clear width after clearance. For example, a 12" x 11" room (144" x 132") with 36" clearances yields 72" x 60", which ...

Our table size seating guide for round tables is the same as square tables. The chart shows seating capacity for single round tables and then for large format parameter tables. Download ...

When buying a round table, you have to keep in mind that each individual who will sit on the table should at least have two feet of space. Additionally, your table should also have a diameter ...

You'll need to consider all these things, but here's a general breakdown of table sizes and corresponding seating capacities: We generally recommend allowing 24 inches of space per person seated at your ...

# How wide is the locker to fit inside the round table

Standard dining chairs measure 17" to 20" in width. The size of the round table should be 2 to 3 feet larger than the chairs to provide enough room for guests to be comfortable. For instance, a ...

My general rule of thumb for determining the number of chairs for a round dining table is to allow 24" x 15" per place setting - including the flatware, glassware, and a plate. What matters is ...
