Gabon's main electrical utility, the Water and Energy Company of Gabon (SEEG), announced on Wednesday that it will implement scheduled power outages in the capital, Libreville, ...

PowerOutage tracks, records, and aggregates power outages across Louisiana.

These planned three-hour power cuts occur several times a day, affecting Libreville residents regardless of zone or time of day. The drop in production is mainly due to lower water levels at the Kinguélé ...

Track power outages in Louisiana with our live outage map and real-time updates. Find affected counties and providers.

Gabon's authorities said they have begun an investigation into potential "sabotage" which brought power cuts at a thermal power plant in Libreville aimed at "terrorising the population" and ...

Gabon's capital Libreville was without electricity for several hours Wednesday following a "major technical incident", the national energy supplier said.

Gabon's main electrical utility said Wednesday that it will have to schedule power outages in the capital Libreville because of low water levels at its hydro-electric plants.

PowerOutage is an ongoing project created to track, record, and aggregate power outages across the United States.

In late September, SEEG said power supplies would gradually return to normal once testing was complete, but it did not provide a timeline. Planned outages continue in several Libreville ...
