Who is 40ft expandable container house?

40FT Expandable container house Art Container House is a leading container houses supplier in China - engaged in Expandable Container Houses with two production bases. With 20,000 square meters, and 200 employees, we have formed a large-scale production base of container houses and with an annual production capacity of 30,000 sets.

What is a container house used for?

Using containers as worker dormitories is one of the most widely used uses of container houses. Whenever a project site needs to be opened, workers need to be stationed quickly, such as mining, oil development, and railway construction. These projects often have to change sites, and traditional buildings take a long time to build.
