Who is silent-Power AG?

The team continues developing new Methanol applications for mobility, industry and residential purposes. Prof. Dr. Urs A. Weidmann, Founder and Chairman of the Board of Silent-Power AG, is a pioneer in the research and development of climate-neutral energy supply solutions.

What is eco&#176; Gen-C?

our eco&#176; GEN-C series features all-in-one packaged power generation solution,engineered for mobility,easy deployment and scalability each power container is engineered to meet specific application requirement,customisations to include: engine type,noise level control and power capacity

Who is silent power?

Silent Power is honored to have received positive recognition for its work. Silent-Power is a private group of companies in Switzerlandworking on establishing the methanol economy in order to replace fossil fuels with renewable,CO2-neutral methanol.

What is a silent container?

The silent container is made by high performance and anti-ageing, flame retarding, sound insulation and damping materials, with unique and elaborate design for air intake, outlet and noise reduction device. Optional parts: auto fuel feed pump (or control valve), cooling liquid feed pump, dual oil-water separator, auto parallel system, etc.

Dingbo Power provides 500 KW to 2400 KW containerized silent diesel generator set with different brands of diesel engine and alternator.

Our containerised solutions are designed to provide optimal performance across various site conditions, ensuring excellent reliability for all your power generation needs. By maintaining highquality ...

4000/5000Lt. tank space-optimized for containers External refuelling with signal lamp for Container External refuelling with analogue level indicator Fuel connections with 3-way valve & quick couplings ...

our eco&#176; GEN-C series features all-in-one packaged power generation solution, engineered for mobility,

# Southern European Silent Container Power Generation Company

easy deployment and scalability each power container is engineered to meet specific application ...

Silent-Power AG is a group of CleanTech companies based in Cham, Switzerland. Our mission is to accelerate the energy transition: making it affordable, climate-neutral and better for us and nature ...

As the world continues to prioritize sustainable and adaptable energy solutions, containerized energy storage stands poised to play a pivotal role in shaping the future of power ...

What is eco&#176; Gen-C?our eco&#176; GEN-C series features all-in-one packaged power generation solution, engineered for mobility, easy deployment and scalability each power container is engineered to meet ...

Silent-Power is at the forefront of the global energy revolution, leveraging the power of renewable methanol to transform the way we generate and store energy. With its ability to be sustainably ...

CIP on Power Refrigerated Vehicle Diesel Generator Set for Reefer Fuan Karlier Power Co., Ltd.is a professional manufacturer of reefer container/truck generator sets, open frame ...

Mobile container solutions for energy and emergency power systems - the optimal power supply for any location Mobile container solutions offer a flexible and efficient way to ensure emergency/power ...
