-----

TBEA has launched its latest innovation in C& I solar power - the 75-110 kW three phase on-grid inverter series. Designed to meet the unique demands of C& I applications, the inverters...

TBEA Xi'an Electric Technology Co. Ltd., an arm of TBEA Group, will inaugurate its GW-class photovoltaic (PV) inverter facility in India on November 29 this year.

TBEA fabricates deep-processing aluminum products such as high purity aluminum, electronic aluminum foil, electrode foil with independent patents. The products are widely applied to aerospace, ...

TBEA photovoltaic inverter high-power grid-connected string 12-100KW solar inverter

TBEA Xi'an Electric Technology Co., Ltd. Solar Inverter Series TS100KTL-HV. Detailed profile including pictures, certification details and manufacturer PDF.

Comprehensive Integration with C& I PV Station Equipment TB-eSolar seamlessly connects with all distributed PV components, including inverters, smart meters, environmental monitoring devices.

Key attributes Output Type Three Phase Inverter Efficiency 98.8% Place of Origin Anhui, China

TBEA has developed new products with nominal power ratings of 75 kW to 110 kW and efficiencies of 98.6%. Their European efficiency rating is 98.4%.

Advanced topological structure, excellent AC output filtering design, efficient MPPT strategy, SVPWM technology with the minimum switching loss, perfect prot...
