Can you still get money in the piggy bank?

As vendors can still access money in the Piggy Bank, and Coins won't be dropped from one when the player dies, it is best to keep money in the Piggy Bank to prevent losing it when dying. Now can be accessed via the Eye Bone.

How many slots does a piggy bank have?

Like other storage items (eg. Chests), it contains 40 slots (4 rows of 10) that can be used to store anything. The Piggy Bank requires only a space 2 wide and 1 high for placement, but must be placed on a Work Bench, Table, or Platforms (in contrast, the Safe, Defender's Forge, and Void Vault can be placed on blocks, but are considerably larger).

Should you keep money in a piggy bank if you die?

Since the Piggy Bank is much cheaper, it's better suited to leaving several permanently placed, scattered in important locations such as outposts. As vendors can still access money in the Piggy Bank, and Coins won't be dropped from one when the player dies, it is best to keep money in the Piggy Bank to prevent losing it when dying.

What is a piggy bank?

Unlike normal chests etc, the Piggy bank (along with the Safe, Defender's Forge, and Void Vault) is considered "personal storage". Items contained in a Piggy Bank are attached to the character rather than to a container in the world: The bank can be picked up and moved regardless of the items within.
